Review report to the Board of Directors of Dynamatic Technologies Limited

We have reviewed the accompanying standalone unaudited financial results ('the Statement') of Dynamatic Technologies Limited ("the Company") for the quarter ended 30 June 2013, attached herewith, being submitted by the Company pursuant to the requirement of Clause 41 of the Listing Agreement issued by the Securities and Exchange Board of India ("Listing Agreement") "except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the Management and have not been reviewed by us. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on 8 August 2013. Our responsibility is to issue a report on the Statement based on our review. Attention is drawn to the fact that the figures for the quarter ended 31 March 2013 as reported in this statement are the balancing figures between audited figures in respect of the full financial year (31 March 2013) and the published year to date figures up to the end of third quarter of the previous financial year (31 March 2013). The figures up to the end of the third quarter of the previous financial year had only been reviewed and not subject to an audit.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the Statement prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

Review report to the Board of Directors of Dynamatic Technologies Limited

1. We have reviewed the accompanying statement of consolidated unaudited financial results (“the statement”) of Dynamatic Technologies Limited (“the Company”) its subsidiaries, and an associate as detailed in note 1 of the statement, (collectively referred to as ‘Dynamatic Group’) for the quarter ended 30 June 2013, attached herewith, being submitted by the Company pursuant to the requirement of Clause 41 of the Listing Agreement issued by the Securities and Exchange Board of India (“Listing Agreement”) except for the disclosures regarding ‘Public Shareholding’ and ‘Promoters and Promoter Group Shareholding’ which have been traced from disclosures made by the Management and have not been reviewed by us. This statement is the responsibility of the Company’s Management and has been approved by the Board of Directors in their meeting held on 8 August 2013. Our responsibility is to issue a report on this statement based on our review. Attention is drawn to the fact that the figures for the quarter ended 31 March 2013 as reported in this statement are the balancing figures between audited figures in respect of the full financial year (31 March 2013) and the published year to date figures up to the end of third quarter of the previous financial year (31 March 2013). The figures up to the end of the third quarter of the previous financial year had only been reviewed and not subject to an audit.
2. We conducted our review in accordance with the Standard on Review Engagements (‘SRE’) 2410, Review of Interim Financial Information performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. We did not review the financial results of certain subsidiaries and an associate which have been incorporated in the statement. These subsidiaries and the associate account for 71.22 % of total revenues, other operating income and other income as shown in the statement for the quarter ended 30 June 2013. Of the above:
 - a. The unaudited financial results of some of the subsidiaries incorporated outside India as drawn up in accordance with the generally accepted accounting principles of the respective countries (‘the local GAAP’) have been reviewed by other auditors duly qualified to act as auditors in those countries. These subsidiaries account for 71.22% of total revenues, other operating income and other income for the quarter ended 30 June 2013 as shown in the statement. For purposes of preparation of statement, the aforesaid local GAAP financial results have been restated by the Management of the said entities so that they conform to the generally accepted accounting principles in India. This has been done on the basis of a reporting package prepared by the Company which covers accounting and disclosure requirements applicable to consolidated financial statements under the generally accepted accounting principles in India. The reporting packages made for this purpose have been reviewed by other auditors and reports of those other auditors have been furnished to us. Our opinion on the statement, insofar as it relates to these entities, is based solely on the aforesaid review reports of those other auditors.

4. Based on our review conducted as explained in paragraphs 1 and 2 and on consideration of reports of other auditors explained in the paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement, including the manner in which it is to be disclosed, or that it contains any material misstatement.
