Independent Auditors' Report on Standalone Annual Financial Results of Dynamatic Technologies Limited pursuant to the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

To Board of Directors of Dynamatic Technologies Limited

We have audited the standalone annual financial results of Dynamatic Technologies Limited ("the Company") for the year ended 31 March 2019, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that figures for the last quarter ended 31 March 2019 and the corresponding quarter ended in the previous year as reported in these standalone annual financial results are the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter had only been reviewed and not subjected to audit.

These standalone annual financial results have been prepared on the basis of the Standalone annual financial statements and reviewed quarterly financial results which are the responsibility of the Company's Management. Our responsibility is to express an opinion on these standalone annual financial results based on our audit of the Standalone annual financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the standalone annual financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by Management. We believe that our audit provides a reasonable basis for our opinion.

In our opinion and to the best of our information and according to the explanations given to us, these Standalone financial results:

- (i) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- (ii) give a true and fair view of the net profit and other comprehensive income and other financial information for the year ended 31 March 2019.

Independent Auditor's Report on Consolidated Annual Financial Results of Dynamatic Technologies Limited pursuant to the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

To Board of Directors of Dynamatic Technologies Limited

We have audited the consolidated annual financial results of Dynamatic Technologies Limited ("the Company") for the year ended 31 March 2019, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the last quarter ended 31 March 2019 and the corresponding quarter ended in the previous year as reported in these consolidated annual financial results are the balancing figures between consolidated audited figures in respect of the full financial year and the published year to date consolidated figures upto the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter had only been reviewed and not subjected to audit.

These consolidated annual financial results have been prepared from consolidated annual financial statements and reviewed quarterly consolidated financial results which are the responsibility of the Company's Management. Our responsibility is to express an opinion on these consolidated annual financial results based on our audit of such consolidated annual financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated annual financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by Management. We believe that our audit provides a reasonable basis for our opinion.

We did not audit the financial statements of eight subsidiaries included in the consolidated annual financial results, whose annual financial statements reflect total assets of INR 74,994 lakhs as at 31 March 2019 as well as the total revenue (including other income) of INR 83,454 lakhs for the year ended 31 March 2019. Of the above:

- (i) Five of these subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries. The Company's Management has converted the financial statements of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. This has been done on the basis of a reporting package prepared by the Company which covers accounting requirements applicable to these consolidated annual financial results under the generally accepted accounting principles in India. The reporting packages made for this purpose have been audited by other auditors and reports for consolidation purpose have been furnished to us. Our opinion in so far as it relates to the financial results of such subsidiaries located outside India is based on the report of other auditors.
- (ii) One subsidiary is located outside India whose financial statements and other financial information has been prepared in accordance with accounting principles generally accepted in that country and which has been audited by other auditors under generally accepted auditing standards applicable in that country. The Company's Management has converted the financial statement and other financial information of such subsidiary located outside India from accounting principles generally accepted in that country to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Company's management. Our opinion in so far as it relates to the financial results of such subsidiary located outside India is based on the report of the other auditors and the conversion adjustments prepared by the Management of the Company and audited by us.
- (iii) The annual financial statements and other financial information of two subsidiaries incorporated in India have been audited by other auditors whose reports have been furnished to us, and our opinion on these consolidated annual financial results, to the extent they have been derived from such annual financial statements is based solely on the report of such other auditors.

Our opinion on the consolidated annual financial results is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements/financial information certified by the Management.

In our opinion and to the best of our information and according to the explanations given to us, and based on consideration of reports of other auditors on separate financial statements of the subsidiaries as aforesaid, these consolidated financial results:

- (i) include the annual financial results of the entities as mentioned in Annexure 1;
- (ii) have been presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- (iii) give a true and fair view of the net consolidated profit and other comprehensive income and other financial information for the year ended 31 March 2019.

Notes (continued)

- 9. Effective 1 April 2018, the Group has adopted Ind AS 115 "Revenue from Contracts with Customers" using the cumulative effect method (without practical expedients). The adoption of the standard did not have any material impact on retained earnings as on 1 April 2018 and the consolidated audited financial results for the quarter and year ended 31 March 2019.
- 10. Consequent to the introduction of Goods and Service Tax ("GST") with effect from 1 July 2017, Central Excise, Value Added Tax ("VAT"), etc have been subsumed into GST. In accordance with Indian Accounting Standard -18 on Revenue and Schedule III of the Companies Act, 2013 unlike Excise duties, levies like GST, VAT, etc are not part of revenue. Accordingly, the figures for the year ended 31 March 2018 are not strictly relatable to those thereafter. The following additional information is being provided to facilitate such an understanding:
